#### 4.6.5 Submission of an EFP request

Current FGL Procedures:

**Rule 4.6.5(a)**

The following times are specified for the purposes of Rule 4.6.5(a):

...

- (b) For an EFP to be cleared for the current Trade date it must be entered and confirmed in the Trading System **within 10 minutes from the close** of the day session.

Amendment under this Direction:

**Rule 4.6.5(a)**

The following times are specified for the purposes of Rule 4.6.5(a):

...

- (b) For an EFP to be cleared for the current Trade date, **FGL Power products must be entered and confirmed in the Trading System within 30 minutes from the close of the day session and all other products** must be entered and confirmed in the Trading System **within 10 minutes from the close** of the day session.

At the conclusion of the time period defined in this Direction, FGL Power products will revert to the operating times then specified in the FGL Procedures.

## Participant Actions

No specific actions by Trading Participants are required. This Direction is made to align availability of these facilities should Trading Participants wish to access these two FGL facilities whilst executing any strategies they choose to use to transition between risk management products offered by different markets.
