Australian Gas Products

Introduction

FEX Global (FGL) is listing four cash-settled monthly Gas Futures Contracts against Australian Energy Market Operator (AEMO) reference prices for the Victorian Declared Wholesale Gas Market (DWGM) and the Short Term Trading Markets (STTM) for Adelaide, Brisbane and Sydney.

Due to an extension to the regulatory review process the launch of these new products has been postponed.

Further product details are available below, the full Contract Terms will be available on the FGL website in the near future.

New Gas Contract terms

The four new contracts are:

1. FEX DWGM Gas Monthly Futures (Victoria) - VG
2. FEX STTM Gas Monthly Futures (Adelaide) - SA
3. FEX STTM Gas Monthly Futures (Brisbane) - SB
4. FEX STTM Gas Monthly Futures (Sydney) - SY

Each Contract will be for 100 Gigajoules of natural gas per day over the period of a calendar month and traded in AUD. The products will be available for trading between 10:00am and 4:00pm and the last Trading Day will be the final Business Day of the Contract Month.

The FGL External Test Environment now includes these products in its dataset.

Details are presented subject to and pending all relevant regulatory review periods.
