## FEX ESPO Asia Crude (Argus) **Products**

### Introduction

The Board of Directors of FEX Global have today determined to indefinitely suspend trading for all futures and options products referencing the ESPO Asian Crude (Argus) Benchmark.

FEX Global is deeply concerned about the invasion of Ukraine and believe that this action is in line with both the legal and other sanctions that have been imposed on Russia and Belarus as well as the intent of those sanctions.

### Suspension details

The FEX ESPO Asia Crude Futures and Options contracts, contract code EC, will not be opened for trading from today, Wednesday 9 March 2022.
